Outside Lands Festival

This year's [Outside Lands Festival](#) is taking place in Golden Gate Park this weekend starting Friday, August 5th at noon and ending Sunday, August 7th at 10:00 PM. The festival is open 12:00 PM- 10:00 PM each day.

Please be aware that the high volume of festival patrons may affect the morning and evening commutes on Friday, August 5th. Ridership may be higher than usual on [SFMTA/Muni](#), [BART](#), [AC Transit](#), [Golden Gate Transit](#), [SF Bay Ferry](#), and [Caltrain](#) routes destined for San Francisco. Additionally, the Haight, Richmond, and Sunset districts may experience heavy congestion. To learn about transportation options from around the Bay Area and within the City to Golden Gate Park, including the private Outside Lands shuttle, please [click here](#).

[SFMTA/Muni](#) will provide additional service on the N Rail Line and 5/5R Bus Route for Outside Lands to and from the event. Due to increased ridership for this event, attendees should allow extra travel time on the N Judah and all bus lines serving Golden Gate Park (7, 7R, 28, 28R, 29, 44). Traffic in the area will also be heavy.

At the end of the festival, customers are encouraged to take the 5 Fulton Express bus on Fulton. Pick up locations are Fulton & 36th and Fulton & 30th; the buses will express to Civic Center Station (Hyde & Grove).

For more details on Muni service and impacted Muni lines, please see [SFMTA](#).

Weekend Commute Update

Friday, August 5th – Sunday, August 7th -- *Continued*

BART Delays between South Hayward and Fremont Stations

BART will conduct important electrical work near the tracks at Union City and Fremont all day Saturday, August 6th & Sunday, August 7th. There will be no Green Line (Fremont-Daly City) service south of South Hayward Station on Saturday, August 6th. Passengers from Fremont & Union City wanting to take the Green Line must take an Orange Line (Fremont-Richmond) train to South Hayward and transfer.

The work will cause 20-40 minute delays for passengers travelling to these stations. Please refer to [BART](#) for more details.
