The program works this way: BART riders who opt into the program will automatically earn one point for every mile traveled on BART. They can earn up to six times as many points by starting their trip during a bonus hour: 6:30 A.M. to 7:30 A.M. or 8:30 A.M. to 9:30 A.M. Points can be exchanged for small cash rewards or used to play the “Spin to Win” game for the chance to pick up additional points or random cash rewards from \$1 to \$100. Each month, reward balances will be transferred to participants’ PayPal accounts.

Participants sign up for the program at [BARTPerks.com](#) using their email address and Clipper Card number.

## *Spare the Air* Day Alerts

Please be mindful that due to the exceptionally high temperatures in the Bay Area, many days during September and October may be classified as *Spare the Air* days which occur when concentrations of ground-level ozone pollution are forecast to be unhealthy. Please refer to [sparetheair.org](http://sparetheair.org) and the [TMA SF Connects Spare the Air Factsheet](#) for more details on taking steps to reduce smog by making clean air choices.

TMA SF Connects thanks you for using public transportation, ridesharing, walking, bicycling and telecommuting options. If you usually drive to work, this fall season is a great time to try public transportation or rideshare options for all or part of your trip.
