[Parking Credential Program Announcement](#)

--Approved by SFMTA 1/13/2016- Subject to Change--

SFMTA will be issuing a number of parking credentials to garage/property managers that will allow monthly parkers to access buildings within the footprints of Super Bowl City and NFL Experience. TMA SF Connects members have been given an opportunity to **complete a survey** to document their needs for parking passes. Surveys must be completed by **January 15th, close of business**.

Final details about the parking credentialing program are being discussed. As of this writing, the credentials are being issued for monthly parkers. "Transient" parking issues are being analyzed. Deliveries are expected to continue as usual, with delays anticipated.

[Using Flextime Hours for a Better Commute during SB 50](#)

Earlier this week, TMA SF Connects hosted a Super Bowl 50 Forum. Panelists included BART Police, Operations, Station and Customer Service management. Among the recommendations for maximizing BART resources during the Super Bowl 50 festivities was information to encourage commuters to be flexible in scheduling their trips to work.

In general before 7:30 AM and after 9:30 AM will provide the least crowding on trains bound for San Francisco. Leaving the City in the afternoon is most effective before 4:30 PM and after 6:30 PM for commuters hoping to avoid the largest crowds.
