

# Highway Closures on US-101 and I-580 due to fires

*Tuesday, September 27<sup>th</sup>, 2016*

According to [511](#), **all eastbound lanes on the Richmond-San Rafael Bridge will remain closed until approximately 6:00 PM** today due to an earlier big rig fire. The southbound US-101 connector ramp to eastbound I-580 is also closed. Due to the closure, Golden Gate Transit bus service is suspended until the lanes reopen.

Additionally, [SF Gate](#), [KTVU](#), [511](#), and other local media resources have reported that **all northbound US-101 lanes at Lakeville Highway in Petaluma are closed due to a brush fire**. It is unknown when the lanes will reopen – please expect delays and avoid the area if possible.

If you're traveling in the direction of San Rafael, your commute may be affected by traffic congestion due to these closures. Please visit the [TMASF Connects website](#) for commute alternatives.

For updates on these situations, please monitor the following media and commute resources.
