

BART Walnut Creek Station Closure and Major Delays

Wednesday, April 19th, 2017

Below you will find the most updated information available from [BART](#) regarding the Walnut Creek station closure. Our calls to BART as well as perusal of local news sources have not provided updated information in the past hour. We will be monitoring the situation through the close of business today and will provide updated information should it become available.

There is a major delay at Walnut Creek on the Pittsburg/Bay Point Line in the Pittsburg / Bay Point and SFO directions due to police activity. There is no train service between Lafayette and Pleasant Hill stations in either direction. A bus bridge is available via Contra Costa County Transit. 2:52 PM

Please monitor [bart.gov](#) for updates. As always, we will send an update if the situation persists. For commute alternatives, please visit the [TMASF Connects website](#). Please refer to the local media and commute resources listed below for additional assistance.
