

CA-37 Novato Lane Closures

Friday, February 15th, 2019

According to [SF Gate](#), Caltrans closed both westbound lanes of Highway 37 in Novato between Highway 101 and Atherton Avenue following a levee breach that flooded parts of the road with water. One eastbound lane of the highway will close tonight, February 15th, at 8:00 PM to allow crews to fix the levee.

Motorists are advised to expect delays and use alternate routes to avoid the area. According to [511](#), the estimated time to reopen the roadway is Tuesday, February 19th at 12:00 PM.

As always, we will send an update as more information becomes available. Please monitor [SF Gate](#) and [511](#) for updates. For commute alternatives, please visit the [TMASF Connects website](#). Please monitor the local media, commute, and safety resources listed on the right for additional assistance.
