

Overhead Wires down at Market & Hyde Streets *Monday, August 26th, 2019*

We have received the following notice from [AlertSF](#) at 9:18 AM:

Be advised, there are commuting delays at Market & Hyde Streets due to downed overhead wires. Please avoid the area. Thank you!

Visit the [TMASF Connects website](#) for commute alternatives.

UPDATE

We have received the following notice from [SFMTA](#) at 10:00 AM:

Overhead line issue has been resolved. All routes in the Civic Center area have resumed regular service.
