

## Fourth of July Member Update

Our team at TMASF Connects wish you and your tenants a healthy and safe Fourth of July Weekend.

As we approach July, please be aware that Golden Gate Bridge toll rates and Golden Gate Transit Bus/Ferry fares will all be increasing July 1<sup>st</sup>. [Click Here](#) for more information about toll rate increases and [Here](#) for information about bus and ferry fare increases.

Like the rest of the world, we are continuing to look ahead as we monitor COVID-19 conditions and its impact on travel, employment and community resources. As many of you are aware, conditions and information surrounding COVID-19 are rapidly changing. Thus, as mentioned before, we are continuing to work on and accumulate more knowledge on a number of informational pieces for members that feature:

- Using public transportation safely and responsibly when returning to work;

- Tips for a safe and efficient workplace while maintaining social distancing; and,

- Uniquely branded tenant handbooks for each member property that feature transportation, community and career resources and a guide to navigating working in San Francisco.

The TMASF Connects [website](#), [map](#) and other services have always reminded commuters of their myriad of choices for traveling to work. We anticipate refining and enhancing this message in a way that respects and is aware of current health conditions. As we begin July, we will be reaching out to each member property for updates to their building descriptions on the [ConnectsLink](#) map. TMASF Connects will continue to refine our robust services as we all continue to navigate through this period of extreme change.

Our programs will continue with campaigns to help members, tenants, and visitors to our website understand their many options for traveling to work in a TMASF Connects member building. Over the next several months, we will also be working on several comprehensive schematic maps on local and regional transportation agencies for our members.

We look forward to continuing to work with TMASF Connects members and tenants. Have a safe and happy Fourth of July.

June 30<sup>th</sup>, 2020
