

COMMUNITY SUPPORT

MESSAGE FROM OUR TEAM

As we enter the fall season and make our way towards the holidays, many of your teams may be thinking of how to give back and support tenant and community relations. A couple of member buildings have already reached out, donating monetary funds and backpacks to local organizations. TMA SF Connects has researched and refined the list of organizations below for you and your team's consideration in determining community partners that still need support:

LOCAL RESOURCES

[SF Gov COVID-19 Response and Recovery Fund](#)

[Spark SF*](#): A nonprofit SFUSD partner focusing on a variety of initiatives including computer drives and meal distribution

[St. Anthony's](#): Supporting San Franciscans with meals and clothing

[SupplyHopeInfo](#): A student driven initiative to distribute school supplies to local, low-income students

[Family Giving Tree](#): In partnership with NBC Bay Area and Telemundo 48, this back-to-school drive aims to support local, low-income students with backpacks and school supplies

FOOD

[SF-Marin Food Bank](#)

[Second Harvest](#): A food bank focusing on the Greater Bay Area (primarily Santa Clara and San Mateo counties)

[No Kid Hungry](#): A national campaign to end childhood hunger

NATIONAL

[CDC Foundation](#)

[Doctors without Borders](#)

[National Foundation for Infectious Diseases](#)

[National Nurses United](#)

We hope that this can help facilitate matching needs to resources and anyone who has a desire to help will find this information to be helpful. For more information, please visit our [Community Support](#) page.
