

COVID-19 Vaccination Information and Map

We would like to inform you that SF Gate has created a [map](#) of vaccination sites in the SF Bay Area, with information sourced from [VaccinateCA](#), a community-driven effort to track vaccine availability. [SF Chronicle](#) also has information on where to get vaccines.

The resources below can assist you, your staff, and your loved ones on when you're eligible for a vaccination:

- [SF Government](#) (You can also be [notified](#) of when you're eligible)
- [California Department of Public Health](#)
