

Major BART Delay

Thursday, March 10th @ 7:20 AM

We have received the following update from [BART](#):

BART reports that the Red Line is suspended until further notice due to electrical issues. Service between Richmond and MacArthur Stations is limited to only the Orange Line service.

Orange Line trains will be running a normal schedule. Riders between Richmond and Ashby stations can expect a train every 15 minutes in both directions on weekdays. On weekends, trains will be arriving every 30 minutes in both directions on the Orange Line.

BART will be providing a shuttle train between SFO Station and Millbrae Station. Customers between Richmond and Ashby Stations who wish to skip the major service impacts can bike or take AC Transit buses, which connect at multiple BART Stations.
