Bay Area Transit Month is brought to you by San Francisco Transit Riders. **September is Transit Month**, we and other Bay Area supporters of public transportation are excited to support and celebrate. Public transit not only makes it more accessible to travel around the Bay Area, but also help reduce air pollution and negative impact on our environment.

In celebration with San Francisco Transit Riders, there are events happening all month long! From local to regional events, such as [BART's Throwback Arcade](#), where they have vintage arcade games set up at Powell St. Station that are free to play.

[San Francisco Transit Riders](#) is also hosting a Ride Contest, for every ride you take on public transit, you will get another entry into their Transit Month raffle. Prizes includes BART train cab,

a tour of the Central Subway, a Muni tote bag, a signed Warriors jersey, and more! [Click here](#) to sign up for the Ride Contest.

There are many more events coming up this month, check out the events [here](#).
