

## Caltrain & Muni Providing Services Friday, February 10<sup>th</sup> @ 12:12 PM

We have received the following **update** from [BART](#):

*CalTrain is providing train service between Millbrae and downtown San Francisco. Muni is providing service on the T or N train at Powell to the CalTrain station*

*Original Message: BART service has stopped between Colma and Daly City stations. There are station closures at Balboa Park and Colma stations due to police activity in the surrounding areas. Please seek alternate means of transportation.*

Please monitor [BART](#) for updates and visit the [TMASF Connects website](#) for commute alternatives.
